Experience

September 2023 – Present

Medical Customer Care Advisor, AXA Partners – Brussels

Offered excellent client support for foreign hospitalizations and managed repatriation when needed.

Demonstrated dynamic growth in soft skills such as effective communication, problem-solving, empathy, and teamwork.

Provided quick and compassionate assistance in emergencies.

July 2023 – August 2023

Pension internal advisor, Amonis - Brussels

Contact new medical graduates from July to September to promote and sell Amonis' products using a prospect list. Aim to arrange appointments between recent medical graduates and commercial consultants.

July 2022 – August 2022

Recruitment Service, HR-Rails – Brussels

At HR Rail, I performed initial screenings for job applicants. Attention to detail, understanding of job requirements, and strong communication skills were crucial.

Education

September 2022 - Current

ErasmusHogeschool Brussels

Bachelor of Science, Applied Informatics,

September 2021 - June 2022

Vrije Universiteit Brussel

Master of Science, Pharmacy,

September 2019 - June 2021

Vrije Universiteit Brussel

Master of Science, physiotherapeutic sciences,
